

UNITED STATES DISTRICT COURT
for the
EASTERN DISTRICT OF NORTH CAROLINA

U.S.A. vs. Steven Anthony Quinn

Docket No. 7:21-CR-144-1M

Petition for Action on Supervised Release

COMES NOW Caroline M. O'Reilly, U.S. Probation Officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Steven Anthony Quinn, who, upon an earlier plea of guilty to Making an Unregistered Firearm (Destructive Device) in violation of 26 U.S.C. §§ 5822, 5861(f) and 5871, was sentenced by the Honorable Richard E. Myers II, Chief United States District Judge, on December 6, 2022, to time served. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for a period of 36 months.

Steven Anthony Quinn was released from custody on December 6, 2022, at which time the term of supervised release commenced.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

As a condition of Mr. Quinn's supervised release, the court ordered that he participate in electronically monitored home confinement for the first 24 months of his supervised release period. He has been on home detention with monitoring since December 6, 2022, with no notable violations. Mr. Quinn has demonstrated compliance with all conditions since his release. Due to his ongoing compliance with supervision requirements including location monitoring, it is recommended that the remaining period of the 2-year location monitoring condition be removed as a special condition of supervised release.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. The remaining period of the special condition of supervised release requiring a 2-year period of home confinement with electronic monitoring be removed.

Except as herein modified, the judgment shall remain in full force and effect.
